## Gundalow Summer Camp

3-7 August 2015 9:00-3:00

This is a fine summer to join the gundalow crew! From August 3-7 we'll engage your child in fun, water related activities such as sailing, kayaking, exploring the waterfront, visiting nearby sites and creating special projects.

We'll start each day checking tides, temperatures and wind, before casting off for a morning sail on *Piscataqua* \*. Most afternoons will find us shore side as we visit waterfront venues and delve into maritime heritage to learn the arts of the sailor.

Monday through Thursday your child should be dropped off and picked up at our dock in Prescott Park. Friday morning we'll be kayaking with Portsmouth Kayak Adventures so children need to be dropped off at their headquarters on 187 Wentworth Road in Portsmouth (pick up will be back in Prescott Park).

On Friday afternoon, parents/guardians are invited to join their children on a short gundalow sail.

The cost of \$240 includes all gundalow sails, kayaking and shore-based activity. A full agenda will be available a few weeks before camp. Please notify us in advance of special needs or health issues, and contact us with questions or concerns: 603.433.9505 or [education@gundalow.org](mailto:education@gundalow.org).
