- A strong environmental ethic, plenty of stamina, flexibility, skill in public speaking, and a positive attitude.
- Marine education, local knowledge, and traditional sail experience are preferred.
- Experience and willingness to work with youth
- Must have or be willing to get CPR/first aid Certification

Education/Programs

- Help plan, manage and run growing summer camp program for youth ages 5-14 onboard the Gundalow and on shore
- Run school programs and teach education stations related to history and marine science both on the boat and onshore
- Give interpretive tours at dockside events and promote involvement through volunteering and membership.
- Works closely with the Captain and Program Manager to ensure a high quality onboard education program.

Vessel

- Assist Captain to ensure safety of vessel and passengers at all times.
- Supervise deck operations during day sails.
- Assist in training volunteer crewmembers.
- Support gundalow maintenance plan.
